

Silicone Elastomers 2012

iSmithers invites to the fifth international conference on Silicone Elastomers from 27 – 28 March 2012 in Berlin, Germany, covering developments in a range of silicone elastomer materials, including high temperature vulcanised (HTV), room temperature vulcanised (RTV), and liquid silicone rubber (LSR). The programme includes 19 lectures in the three sessions: application of silicones, processing of silicones, and modification of silicones. The conference will be conducted in English.

Date and Contact person

27.03.2012 - 28.03.2012
