

Feiplar Composites & Feipur

The seventh edition of **Feiplar Composites & Feipur**, exhibition and congress on composites, polyurethane, and engineering plastics, will be held from **6 – 8 November 2012** in **São Paulo**, Brazil. The organiser **Group ArtSim Events Administrator Ltda.** expects about 15,000 visitors from Latin America and exhibitors from more than 30 countries. According to Grupo ArtSim, the 2010 event was attended by more than 13,600 visitors and about 260 exhibitors. In addition to a Design Excellence Awards programme, the 2012 event will feature a series of seminars on composites, PU and engineering plastics in the following areas of application: automotive, marine, harsh environments, flexible foams, thermal insulation, aerospace, civil building, recycling and renewable resource raw materials, and wind energy.
