

RubberChem 2010

The seventh international conference on rubber chemicals, compounding, and mixing, RubberChem 2010, will be hosted by iSmithers from 30 November – 1 December 2010 in Vienna, Austria. It will cover developments in a range of rubber chemicals from accelerators, antioxidants and antiozonants to retarders and peptisers.

This year's event will feature presentations from companies such as Lanxess, DSM Elastomers, Dow Corning, Rhein Chemie, Schill & Seilacher, and Trelleborg in the seven sessions: New Regulations Affecting the Rubber Industry; Dispersion, Reinforcement & Fillers; Compounding & Processing; Testing; Vulcanisation & Cure Systems; Silicone Rubber; Recycling & Waste Reduction.
