## **Additional Managing Director at Reifenhäuser Extrusion**

**Dr. Jochen Hennes was appointed Co-Managing Director of Reifenhäuser Extrusion, Troisdorf, Germany, alongside Klaus and Bernd Reifenhäuser.**

In his new role, he assumes responsibility for the Business Unit Cast Film. According to the company, Hennes is an expert in the development of film extrusion lines and components and can draw on more than 14 years of experience in the plastics processing industry. After completing his doctorate at the Institute of Plastics Processing (IKV) in Aachen, he worked for Kiefel Extrusion in Worms.
