

## PDA Europe 2013

The seventh **Polyurea Development Association (PDA) Europe** annual conference will take place from **18 – 20 November 2013** at the Atahotel Villa Pamphili in **Rome**, Italy. The conference will bring together the entire supply chain of the polyurea industry to discuss the current technical issues and market trends. Besides company presentations and technical lectures, the event will also feature a full day of hands-on educational classes.

First speakers confirmed:

- “Refurbishment of a roof car parking in a 60 years old multistorey building in Rome”  
*Gianni Farina, Responsible of Veneziani Concrete Protection Division, Zetagi*
- “Coating concrete basins with polyurea in wastewater treatment plant for Oslo region”  
*Hilde Rannem Isaksen, Master of Science in civil engineering, Norconsult AS*  
*Øystein Moursund, Senior Adviser and Bachelor in mechanical engineering, Vestfjorden Avløpsselskap, Veas*
- “Safe Polyurea Spraying”  
*Erik Vangronsveld, PU Industrial Hygiene EAME Technical Manager and PU EHS Issue Manager, Huntsman*
- “Claim Analysis”  
*Dirk Uebelhoer, Corporate System Engineer, Sika Services*
- “Polyaspartic Coatings Technology – Developments 2012 – 2013”  
*Karl H. Wuehrer, Manager, Bayer MaterialScience*
- “Electric dissipative polyurea surfaces for new fields of application”  
*Andreas Eichfelder, New Business Development, BASF SE*
- “The samples of the use of polyurea in Italy today”  
*Teodoro Du Marteau, Owner, NTE*
- “Primer technology for polyurea”  
*Anil Laurent, Technical Manager, Huntsman Polyurethanes*
