

2nd ICIS Polyurethane Chain Conference

ICIS announced that this year's **Polyurethane Chain Conference** will take place from **24 – 25 September 2013** in **Bangkok, Thailand**. The organiser says by attending the 2nd ICIS Polyurethane Chain Conference you have the chance to jumpstart 2014 with the latest insights into the global polyurethane market. Key sessions at this year's conference include:

- Vital perspective on market dynamics in Asia and the Middle East
- Industry projections for PU feedstocks – propylene, benzene and toluene
- In-depth supply and demand analysis for isocyanates and polyols
- Trends and drivers in key PU application markets with a spotlight on automotive, construction and TPU
- Latest developments in bio-based polyols
- Leading manufacturers perspectives on the status of the industry

Confirmed speakers include:

- Darren Smith, Vice President, Asia Pacific, Wood Mackenzie
- Robert Outram, Associate Director, IAL Consultants
- Hassane Baalbaki, Managing Director, Baalbaki Group
- Sheau Ling Ong, Senior Editor, ICIS
- Tiankanok Sirichayaporn, Senior Consultant, Energy & Chemicals, Nexant Asia
