

## Medtec Europe 2011

The European trade show for the medical manufacturing industry, **Medtec Europe 2011**, will be held from **22 – 24 March 2011** in **Stuttgart**, Germany. According to the organiser **Canon Communications LLC**, the 2010 event has seen double-digit growth rates: 964 exhibiting companies (633 in 2009) from 32 countries have shown their products and services to about 13,000 visitors. This edition will take place with the co-located Southern German suppliers show **Südtec**, the contamination control and cleanroom products trade fair **3C Europe**, the exhibition for rapid product development and manufacturing **RapidWorld**, as well as the medical electronics design conference and exhibition **DesignMed Europe**.
