

## UTECH Asia / PU China 2011

The **Utech Asia** will for the third time be held in conjunction with **PU China** from **6 – 8 September 2011** at the Shanghai New International Expo Center in **Pudong**, China. The event is organised by **Crain Communications Ltd.** in partnership with the **China Minmetals Group** and the **China Polyurethane Industry Association**. It comprises an exhibition of suppliers of basic PU raw materials, processing equipment, and specialist PU manufacturers and features a series of company-sponsored product seminars. The three-day event is one of the most important meeting places for PU professionals from China and the Asia Pacific region.
