

IPF Japan 2011

The seventh triennial **International Plastic Fair (IPF) Japan** will take place from **25 – 29 October 2011**. The five-day event is organised by **International Plastic Fair Association** at Makuhari Messe in **Chiba-city** (near Tokyo), Japan. The show comprises the full spectrum of raw materials, machines, moulds, and services for the plastics and rubber industry and also features a seminar programme. 993 exhibitors and about 66,600 visitors attended the 2008 event. The organisers explained in view of the current situation in Tokyo after the earthquake, that IPF Japan 2011 will be held as planned.
