

Caoutchouc Caucho Gomma 2011

The fourth international rubber and polymer industry exhibition Caoutchouc Caucho Gomma (CCG) will be held concurrently with the plastics industry exhibition FIP Solution Plastique from 24 – 27 May 2011 in Lyon, France. CCG comprises a congress and an exhibition. The event is organised by Idice SAS and co-organised by AFICEP, Infopro Communications, the SncP (Syndicat national du caoutchouc et des Polymères), and ETAI. The organisers expect more than 80 exhibiting companies and over 2,500 visitors at the four-day event.
