

PUTech Eurasia 2013

Artkim Fuarc?I?k will host the third polyurethane industry exhibition of Turkey, Middle Eastern, and Balkan countries **PUTech Eurasia 2013** under the theme "Polyurethane is in every part of life..." from **14 – 16 November 2013** in **Istanbul**, Turkey. Concurrently, the first composites industry and production technologies exhibition **Eurasian Composites Show 2013** will be organised by Artkim Fuarc?I?k. The scope of PUTech Eurasia ranges from PU raw materials, machinery, and equipment over PU systems, coatings, and adhesives to PU finished products as well as polyurea applications. This year's show will take place in two halls on 20,000 m². The organiser aims to attract over 250 exhibitors as well as 7,000 local and 2,000 foreign visitors.
