

Arizona Chemical and IMCD Group conclude distribution agreement

Effective from 1 January 2012, IMCD Group B. V. distributes Arizona Chemical's refinery product lines in Western Europe.

IMCD assumes responsibility for the commercial relationship, technical support, and logistics for the customers it serves. Arizona is a producer of natural pine-based chemicals for diverse markets including adhesives, inks, coatings, road-marking, tyres and rubber, personal care, lubricants, fuel additives, mining and oilfield.
