
DuPont Tate & Lyle Bio Products and Archway Sales expand distribution agreement

DuPont Tate & Lyle Bio Products Company LLC has appointed Archway Sales, Inc. as its distribution partner to represent the Susterra 1,3-propanediol product line in the entire US market.

With the additional states of Arizona, California, Idaho, Montana, Nevada, New Mexico, Oregon, and Washington added to its existing territory, **Archway** now covers the entire USA as the authorised distributor for **Susterra**.

“We are pleased to continue expanding our ability to provide our customers with a full range of products across the United States,” said Archway President **David Baumstark**. “Archway has been a proven partner in growing our sales of Susterra in the polyurethanes market,” commented **Steve Hurff**, Vice President of Marketing & Sales, **DuPont Tate & Lyle Bio Products**.
