

Change in leadership at Rühl Puomer

On 31 December 2009, Alfred Brombacher, Managing Director of Rühl Puomer GmbH, will celebrate his 60th birthday and go into retirement. He will be succeeded by Dr. Ingo Kleba.

Kleba has long-standing experience in the areas of fibre composite technology and polyurethane processing. In his last position he worked as Sales Manager for PU machinery and plant manufacturer Hennecke from Sankt Augustin, Germany.
