

Nina Patisson new CEO at Albrecht Bäumer

As of 1 July 2013, the Albrecht Bäumer GmbH & Co. KG has appointed Nina Patisson, 36, great-granddaughter of the company founder, to its Board of Management. Patisson replaces her father Helmut Kritzler, who retired after 43 years of service with the company.

Patisson, who holds a master's degree in business administration, had initially worked in the project controlling of a systems building company in Germany and France before she joined Bäumer as Director of marketing and service in 2011.
