

Candelori leaves ACC's Center for the Polyurethane Industry

After 16 years of working on behalf of various trade organisations, associated with the plastics and polyurethane industries, Neeva-Gayle Candelori, Director of the Center for the Polyurethanes Industry (CPI), announced her decision to join global plastics company Bayer MaterialScience as Head of Advocacy and Sustainability for the Asia Pacific region, based in Hong Kong.

Neeva-Gayle Candelori

Candelori's new position will be effective 15 September 2010. Meanwhile, working closely with the CPI Steering Committee and ACC leadership, Candelori will endeavour to ensure a smooth transition during the lead-up to the CPI's major annual meeting, to be held in Houston, TX, USA, 11 – 13 October 2010.

ACC headquarters is moving to Capitol Hill

Also announced recently is a change of address for the American Chemistry Council (ACC) of which the CPI is a division. Effective 7 September 2010, the new location will be:

700 2nd Street, NE
Washington, DC 20002
Tel: +1 202-249-7000
Fax: +1 202-249-6100
