

## New Managing Director for BASF Malaysia

Effective 1 April 2011, Daniel Loh has been appointed as new Managing Director for BASF (Malaysia) Sdn Bhd. He succeeds Yee Boon Yeow (BY Yee), who retired at the end of February 2011, after 21 years of service with the company.

Daniel Loh

Loh started his career with BASF in 2004 and has held several key management positions in Singapore and Thailand. His most recent position was the Head of BASF's Specialty Plastics business unit in Asia Pacific.

BASF has been operating in Malaysia for more than 20 years. BASF (Malaysia) Sdn Bhd was incorporated in 1989 as a wholly-owned subsidiary of BASF SE, Germany. It operates manufacturing plants in Shah Alam, Klang and Johor as well as an operation site in Kulim, Kedah. The various products produced at the manufacturing sites include polyurethanes, polystyrene, superplasticiser, engineering plastics, construction chemicals and feed vitamin premix.
