

DuPont announces price adjustments

DuPont Performance Polymers will increase its prices effective 1 March 2011 or as contracts allow in Europe, Middle East and Africa.

Prices will be increased by:

- 0.25 EUR/kg on **Zytel** nylon resins, **Zytel HTN** high-performance polyamides, **Delrin** acetal grades and on **HytreI** TPC-ET (with up to 0.40 EUR/kg for speciality grades)
- 0.30 EUR/kg on **Crastin** PBT and **Rynite** PET (with up to 0.50 EUR/kg for speciality grades)
- 2.00 EUR/kg for **Viton** fluoroelastomers and **Viton Free Flow** products (or higher for certain grades)
- 0.50 EUR/kg for **Neoprene** polychloroprene

The company says these adjustments are due to continued escalation of costs.
